**INSTRUCTIONS ON HOW TO ADD A NEW PUBLICATION TO THE CURRENT LIST:-**

A Data Capture Form (DCF) is provided in the link below so that you can add your latest publications to the current list of publications.  
 Kindly, click on the given link and fill the form to get your publications uploaded.

On clicking this below provided URL, follow the steps and you can submit any new publication without much effort! Simply fill in the basic details like the name of your department, author names, title and journal details and submit your response.

URL for submitting Publications to be displayed on this website: <http://goo.gl/forms/WEeGmi5gk5BZmcAC3>

(Either click this URL or copy it to the address bar of your internet explorer).

**NOTE:** You can add any number of publications and the changes will be reflected in the list within the next 15 days after due verification.
