

Publications

Sr. No.	Faculty name	Author – I	Journal/National/International, volume	Topic, month, year
1	Dr. Sunil Kumar Mathur	Dr. Suman Kanwar	International , Galore international Journal of Health science & Research. 5(1): 84-88.	Questionnaires based study on the knowledge, attitude and practice of Pharmacovigilance among the medical officers working in peripheral areas of Ajmer district, Rajasthan, India. 2020
2		Dr. Arun Kumar Sharma	International , International journal of scientific research. 7 (12): 48 - 50.	The effects of imipramine, sertraline and escitalopram on blood sugar and weight: an observational study in depressive patients in a tertiary care hospital. Dec. 2018
3		Dr. Vandana Goyal	International , International journal of scientific research. 7 (7): 67 – 70.	To Assess & Compare clinical efficacy and tolerability of nitazoxanide and metronidazole in patients with uncomplicated amoebic liver abscess: an observational study. July-2018
4		Dr. Sunil Kumar	International , International Journal of Scientific Research .7 (1):4-7.	Evaluation of efficacy of imipramine, sertraline and escitalopram in depressive patients: an observational study. 2018
5		Dr. Suman Kanwar	International , Int J Basic Clin Pharmacol. 5(4): 1234-1238.	Study of efficacy of oral ivermectin in comparison to commonly used

				topical antiscabetic drugs gamma benzene hexachloride and permethrin.2016
6		Dr. Ritesh Kumar	International, International journal of scientific research. July; 5 (7):1-4.	Prescribing Pattern of Antidiabetic Drugs in Type - 2 Diabetic Mellitus With Co-Existing Hypertension in Jln Medical College, Ajmer. 2016
7		Dr. Kavita Rathore	International, International journal of scientific research. September 2016 ; 5 (9): 531-33.	Comparative Study of two Arbs on Memory and Psychomotor Functions in Mild to Moderate Hypertension. Sep. 2016
8		Dr. Sunil Kumar Mathur	International, International journal of scientific research. January. 3 (1):266-268.	A Short Term Comparative Study of Effects of Alpha-Adrenoreceptor Blocker (Terazosin) and Beta-Adrenoreceptor Blocker (Celiprolol) an Respiratory Parameters in Mild-To-Moderate Hypertensive Patients. 2014
9		Dr. Sunil Kumar Mathur	International, International journal of scientific research. 2(8): 348-49.	Drug utilization pattern in medical OPDof Govt. tertiary care teaching hospital with special emphasis on cardiovascular system. 2013
10		Dr. Sunil Kumar Mathur	International, International Journal of pharmacology and toxicology science. 3(4)40-46.	Mathur S. K. Sankhla S, Sharma AK, Mathur R. Prescribing pattern of antimicrobials in paediatric outpatient department of tertiary care teaching

				hospital, Ajmer (Rajasthan). 2013
11		Dr. Manoj Tak	International, International Journal Of scientific research.10(3):58-60.	Plasma Concentration of pyrazinamide in newly diagnosed pulmonary tuberculosis patients with and without diabetes mellitus. March -2021
		Dr. Arun Kumar Sharma	National, Ajmeru journal of medical education & research, 1 (1): 25 – 28.	Analysis of side effects in major depressive patients receiving imipramine, sertraline and escitalopram therapy. 2018
12	Dr. Vanda Goyal	Dr. Vandana Goyal	International, International journal of scientific research, 2018 (Jan) 7 (I): 347 – 350.	Comparing the effects of imipramine, sertraline and escitalopram on lipid profile in patients with major depression: an observational study. 2018
13		Dr. Vandana Goyal	International, International journal of scientific research. 7 (7): 67 – 70.	To Assess & Compare clinical efficacy and tolerability of nitazoxanide and metronidazole in patients with uncomplicated amoebic liver abscess: an observational study. July -2018
14		Arun Kumar Sharma	International, International journal of scientific research. 7 (12): 48 - 50.	The effects of imipramine, sertraline and escitalopram on blood sugar and weight: an observational study in depressive patients in a tertiary

				care hospital. 2018 (Dec);
15		Dr. Vandana Goyal	International , IOSR- Journal of Dental and Medical Sciences (IOSR-JDMS). 15(7): 80-87.	Drug Utilization Pattern of Psychotropic Drugs Prescribed in the Psychiatric Department of a Tertiary Care Government Hospital, Rajasthan. July - 2016
16		Dr. Vandana Goyal	International , International journal of scientific research. 5(10): 203-206.	Drug utilization pattern of fixed dose combinations prescribed for patients of psychiatric disorder in psychiatric department in a tertiary care teaching hospital. October 2016
17		Dr. Vandana Goyal	National , Indian journal of research- Paripex. 5 (10):76-78.	A questionnaire study on the knowledge, attitude and the practice of pharmacovigilance among medical teachers in a tertiary care hospital in Ajmer. October 2016
18		Dr. Sunil Kumar Mathur	International , IJSR - international journal of scientific research. 3 (1): 266-268.	A Short Term Comparative Study of Effects of Alpha-Adrenoreceptor Blocker (Terazosin) and Beta-Adrenoreceptor Blocker (Celiprolol) an Respiratory Parameters in Mild-To-Moderate Hypertensive Patients. January 2014.
19		Dr. Sunil Kumar Mathur	International , International journal of scientific research. 2 (8): 348-49.	Drug utilization pattern in medical OPD of Govt.

				tertiary care teaching hospital with special emphasis on cardiovascular system. 2013.
20	Dr. Sanjay Sankhla	Dr. Suman Kanwar	International , International Journal Of scientific research. 5 (9):49-51.	A comparative study of efficacy of oral ivermectin with Topical Permethrin as an antiscabetic drug. September - 2016
21		Sanjay Sankhla	International , Int J Basic Clin Pharmacol. 5(5): 2025-2031.	A retrospective study of drug utilization pattern in the outpatient department of pediatrics in a tertiary care teaching hospital of Rajasthan, India . 2016
22		Sanjay Sankhla	International , International, Int J Pharm Sci Res. 8 (9):3911-16.	A Retrospective study of prescribing pattern for acute respiratory infections in children in a tertiary care teaching hospital. 2017
23		Sanjay Sankhla	International , International Journal of pharmacology and toxicology science. 2013;3(4)40-46.	Prescribing pattern of antimicrobials in paediatric outpatient department of tertiary care teaching hospital, Ajmer (Rajasthan).
24		Dr. Manoj Tak	International , International Journal Of scientific research.10(3):58-60.	Plasma Concentration of pyrazinamide in newly diagnosed pulmonary tuberculosis patients with and without diabetes mellitus. March -2021
24	Dr. Arun Kumar Sharma	Dr. Vandana Goyal	International , International journal of scientific research, 7 (I): 347 - 350.	Comparing the effects of imipramine, sertraline and escitalopram on lipid

				profile in patients with major depression: an observational study. 2018 (Jan)
25		Dr. Sunil Kumar	International, International Journal of Scientific Research. 7 (1):4-7.	Evaluation of efficacy of imipramine, sertraline and escitalopram in depressive patients: an observational study. 2018
26		Arun Kumar Sharma	International, International journal of scientific research, 7 (12): 48 - 50.	The effects of imipramine, sertraline and escitalopram on blood sugar and weight: an observational study in depressive patients in a tertiary care hospital. 2018 (Dec).
27		Arun Kumar Sharma	National. Ajmeru journal of medical education & research, 2018; 1 (1): 25 – 28.	Analysis of side effects in major depressive patients receiving imipramine, sertraline and escitalopram therapy. Ajmeru journal of medical education & research,
28		Arun Kumar Sharma	International, International Journal of Pharmaceutical Science and Research, 9 (11): 4902 - 4911.	Analysis of liver function tests and renal function tests in major depressive patients on imipramine, sertraline and escitalopram therapy: an observation study in a tertiary care hospital, Ajmer, (Raj.). 2018
29		Dr. Vandana	International, IJSR - international journal of scientific	Drug utilization pattern of fixed dose

		Goyal	research. 5(10): 203-206.	combinations prescribed for patients of psychiatric disorder in psychiatric department in a tertiary care teaching hospital. October - 2016
30		Dr. Vandana Goyal	National , Indian journal of research- Paripex.5 (10):76-78.	A questionnaire study on the knowledge, attitude and the practice of pharmacovigilance among medical teachers in a tertiary care hospital in Ajmer. October 2016
31		Dr. Sunil Kumar Mathur	International , International journal of scientific research. 3 (1): 266-268.	A Short Term Comparative Study of Effects of Alpha-Adrenoreceptor Blocker (Terazosin) and Beta-Adrenoreceptor Blocker (Celiprolol) an Respiratory Parameters in Mild-To-Moderate Hypertensive Patients. January 2014
32		Dr. Sunil Kumar Mathur	International , International journal of scientific research. 2 (8): 348-49.	Dr. Vandana. Drug utilization pattern in medical OPD of Govt. tertiary care teaching hospital with special emphasis on cardiovascular system. 2013.
33		Mathur S. K	International , International Journal of pharmacology and toxicology science. 3(4)40-46.	Prescribing pattern of antimicrobials in paediatric outpatient department of tertiary care teaching hospital, Ajmer (Rajasthan). International Journal of pharmacology and

				toxicology science. 2013
34	Dr. Suman Kanwar	Suman Kanwar	International, Int J Basic Clin Pharmacol. 5(4): 1234-1238.	Study of efficacy of oral ivermectin in comparison to commonly used topical antiscabetic drugs gamma benzene hexachloride and permethrin. 2016
35		Dr. Suman Kanwar	International, International Journal Of scientific research. 5(9):49-51.	A comparative study of efficacy of oral ivermectin with Topical Permethrin as an antiscabetic drug. September - 2016,
36		Dr. Suman Kanwar	International, Galore international Journal of Health science & Research. 5(1): 84-88.	Questionnaires based study on the knowledge, attitude and practice of Pharmacovigilance among the medical officers working in peripheral areas of Ajmer district, Rajasthan, India. 2020;
37			International, International journal of scientific research. 11(9): 47-48.	A questionarries based study of feedback from undergraduate medical student regarding the teaching learning methods in pharmacology in JLN Medical College, Ajmer, Rajasthan. 2020
38	Dr. Meena Sharma	Dr. Vandana Goyal	International, International journal of scientific research, 7(7): 67 – 70.	To Assess & Compare clinical efficacy and tolerability of nitazoxanide and metronidazole in patients with uncomplicated amoebic liver

				abscess: an observational study. 2018 (July)
39		Dr. Meena Sharma	International, International journal of scientific research,	Study of the usefulness of ascitis fluid cholesterol level in differentiation of malignant and non malignant ascitis. 2021 (April)
40		Dr. Meena Sharma	International, Global journal of for research analysis. 10(3): 55-56.	Pulmonary function tests in diabetic patients in relation to glycemic control. 2021 (March)
41	Dr. Deepshikha Yadav	Dr. Deepshikha Yadav	International, WJPR, 7;(5): 992-1000.	Smartphone usage and attitude among medical students as a new learning aid in medical education in northwest India: a questionnaire based study. 2018
42		Dr. Deepshikha Yadav	National. J. Pharma. Sci. & Res. 7(9): 671-675.	Incidence and severity associated with adverse drug reaction in surgery inpatient. 2015
43		Suman Kanwar	International, Galore international Journal of Health science & Research. 5(1): 84-88.	Questionnaires based study on the knowledge, attitude and practice of Pharmacovigilance among the medical officers working in peripheral areas of Ajmer district, Rajasthan, India. 2020
44		Suman Kanwar	International, International journal of scientific research. 2020; 11 (9): 47-48.	A questionarries based study of feedback from undergraduate medical student regarding the teaching learning methods in pharmacology in

				JLN Medical College, Ajmer, Rajasthan.
