

DEPARTMENT OF PHYSIOLOGY, JLN MEDICAL COLLEGE, AJMER

LIST OF PUBLICATIONS

S. No.	Year of Publication	Author	Author No.	Title of Paper
1.	May-Aug 2015	Dr. Rajesh Pathak	1 st	Effect of Employment status of mother on the body mass index of the pre-school children
2.	Dec. 2014	Dr. Garima Bafna	1 st	Effect of Acupressure versus Physiotherapy on symptoms of Osteoarthritis Knee – A comparative Study
3.	Dec. 2014	Dr. Garima Bafna	1 st	A case report “ Hb E (Homozygous) Disease”
4.	June 2015	Dr. Garima Bafna	1 st	The Effect of Noise Pollution on Hearing in Marble Factory Workers of Ajmer, Rajasthan: A case Study
5.	January 2016	Dr. Garima Bafna	1 st	Effect of Employment Status of Mother on Nutritional Status of The Pre-school Children aged 2 to 5 years
6.	14July 2016	Dr. Garima Bafna	1 st	Harmful Effects of Formalin on First MBBS Students: A Questionnaire Study
7.	May-Aug. 2014	Dr. Nidhi Gupta	2 nd	A comparative Study of cardiovascular response to isometric hand grip exercise in offspring of hypertensive and normotensive patients
8.	Oct . 2014	Dr. Nidhi Gupta	2 nd	A Study of Effect of Physical Activity on Autonomic Function Assessed By Frequency Domains OF HRV & Variables of Lung Function in Apparently Healthy Young Males
9.	Sep.-Dec. 2014	Dr. Nidhi Gupta	1 st	A Study of effect of Physical activity on Autonomic functions assessed by frequency domains of HRV in healthy young males
10	Dec. 2014	Dr. Nidhi Gupta	2 nd	Effect of Isometric hand grip on heart rate variability in normotensive healthy offspring of hypertensive parents
11	Dec. 2014	Dr. Nidhi Gupta	2 nd	Effect of Physical activity on variables of lung function: An observational study
12	Jan 2017	Dr. Nidhi Gupta	2 nd	Introduction of objective structured Practical Examination(OPSE) in formative assessment in Physiology
13	September 2016	Dr.Poonam Gognia	1 st	Additive Effect of Tobacco Chewing on Lipid Profile among Smokers
14	September 2017	Dr.Poonam Gognia	1 st	Effect of Smokeless Tobacco (Gutka) Chewing on Lipid Profile
15	May 2017	Dr.Poonam Gognia	2 nd	Evaluation of outcome in idiopathic clubfoot managed by ponseti method
16	Sept-Oct 2014	Teena Sogan	2 nd	The Assessment of Autonomic status in Young healthy Normotensive Subjects with & without parental history of Essential hypertension
17	Sept 2016	Teena Sogan	1 st	Evaluation of Parasympathetic Activity by Heart rate variability in Gastrophageal Reflex Disease

				Patients
18	Jan 2017	Teena Sogan	1 st	Cardiovascular Response to Sustained Handgrip test in Gastrophageal Reflex Disease Patients
19	Sep-Dec 2015	Dr. Yamini Singh	1 st	The pulmonary Function test in patient with DM and Non-DM in people of Ajmer, Rajasthan
20o	Sep-Dec 2015	Dr. Yamini Singh	1 st	The study of Correlation B/W FBS and PPBF in DM and Non-DM community of Ajmer
21	April-May 2017	Dr.Pallavi Dubey	1 st	The study of Autonomic Function test in Young Non-Diabetic offspring's of Type 2 Diabetic Mellitus Patients by Time Domain Analysis of Heart Rate Variability
22	April-May 2017	Dr.Pallavi Dubey	1 st	To Evaluation Effect of Deep Breathing in Non-Diabetic offspring's of Type 2 Diabetic Mellitus Patients

SENIOR PROF. & HEAD
