

## Registration process for UpToDate portal

To register first time →

**please visit the E-library and the library staff will guide you on how to register.**

### How to register for UpToDate:-

Please find below steps to register users for using UpToDate:

1. Navigate to [www.uptodate.com](http://www.uptodate.com), from any computer connected to the institute's network (above IP), click the "Register" link in the top right corner and complete the registration form.
2. If you already have an UpToDate user name and password, click "Log In" and sign in with your existing credentials.
3. If registering for the first time, you will receive a confirmation email from UpToDate with instructions on downloading the Mobile App

Uptodate has lots of features which makes it the best clinical decision support system for Doctors. Please request College faculty and students to register to utilize the full features.
