फर्मों के प्रतिनिधियों ने राज्य स्तरीय क्रय समिति के समक्ष निम्न सुझाव/संशोधन प्रस्तुत किये :-

S.No.	Name of Firm	RFP clause no. and page no.	Query/suggestion Clarification	Decision of S.L.C.
1	S.K. Bikes Ltd. Ludhiana (Punjab)	RFP Section-V (7) Page-9 Manufacturing Capacity.	Manufacturing Capacity from 14.00 Lakh Bicycle to 12-00 Lakh bicycle per annum.	State Level Purchase Committee does not agree for any change in RFP clauses.

2	Hero Ecotec. Ltd. Ludhiana (Punjab)	RFP Section-V (7) Page-9 Manufacturing Capacity.	Manufacturing Capacity from 14.00 Lakh Bicycle per annum. Instead of this condition following conditions can be inserted. 1-Actual production during each of the last 03 years. 2-Experience of Govt. Supply each of last 03 years.	State Level Purchase Committee does not agree for any change in RFP clauses.
3	Seth Industrial Corporation Ltd. Ludhiana (Punjab)	RFP Clause Section-I division of Supply order Page-3, /Division of quantity Page no-4., Section-III Supply period & division supply period. Page-7	Supply Period- the quantity to be procured is almost 15% higher than the previous. therefore we request you please increase the supply period in the same ratio. If the order is placed on L1 & L2 in the ratio of 60 :40 than equal supply period of 130 days may be given. Because the Higher Quantity also required higher numbers of days for execution of the tender. The practical not possible to complete the delivery because all the bicycles are consigned in loose condition as per delivery schedule and after the fitting and inspection done all the bicycles will be delivered as per schedule.	If the bid is provided to a single bidder then the quantity will be 100% & Supply period will be 135 days. The quantity of bid may be divided in more than one Bidders. If it is divided into two bidders then the Ratio of Quantity will be L1 & L2 60: 40 respectively. Then the supply period will be given 95 days to each bidder. In case the quantity of bid is Split into 03 bidders then the quantity of bid L1, L2 & L3 will be 50:30:20 respectively. In these circumstances the supply period will be 80 days for each bidder. State Level Purchase Committee will issue addendum separately.
		RFP Section-7 /Rule no 29 Page-23 division of quantities among more than 1 bidder at the time of award.	Supply Period- the quantity to be procured is almost 15% higher than the previous. therefore we request you please increase the supply period in the same ratio. If the order is placed on L1 & L2 in the ratio of 60 :40 than equal supply period of 130 days may be given. Because the Higher Quantity also required higher numbers of days for execution of the tender The practical not possible to complete the delivery because all the bicycles are consigned in loose condition as per delivery schedule and after the fitting and inspection done all the bicycles will be delivered as per schedule.	Division of Quantities among more than One Bidder at The Time of Award: After determination of the best value bid, all the responsive and eligible bidders shall be asked to match the best value (L1) bid. If one or more of such bidders match the best value (L1) bid, order may be placed by splitting the total required quantity among the best value bidder and one bidder who matches the best value (L1) bid, provided that no order will be placed on any bidder whose original bid value is higher than the original bid value of a bidder who has matched the best value (L1) bid. The decision of procuring entity shall be final for place and quantity in case splitting the quantity of among the two or three bidders. The quantity of bid may be divided in more than one bidders. If

			it is divided into two bidders then the ratio of quantity will be L1 & L2 60:40 respectively. Then the supply period will be given 95 days to each bidder. In case the quantity of bid is Spiltted into 03 bidders then the quantity of bid L1, L2 & L3 will be 50:30:20 respectively. In these circumstances the supply period will be 80 days for each bidder. State Level Purchase Committee will issue addendum seperately.
	RFP Section-VU Rule-7 E	It is suggested that this line may be amended to read as :- All rates quoted must be FOR each designated secondary/sr.secondary school at panchyat samitti/nodal head of each district. the deo (sec. I/II) and nodal officer may be advised to provide open space in the school for keeping the fitted/assembled bicycle. beside this one or two room, varanda and other utilities such as water, light & toilet ect. may also be provided by the nodal officer for which school management committe may charge of Rs. 2/- per bicycle from the suppliers against the proper stamped receipt. no deduction in this account may be made by deo (Sec. I/II). from this bill of suppliers. the rate should include all taxes, duties, exise and other expenses. any rates/taxes revised/ imposed by the government during the supply period any cartage or transportation charge will not be paid by procuring entity.however if the bicycles are require to be transfer from one nodal to another nodal due to varitation between the ordered quantity and required quantity deo (Sec.I/II) will be responsible for transferring.	State Level Purchase Committe does not agree for any change in RFP clauses. In this matter direction will be given seperately.
	RFP Section-9 Definition (P) Bidder Page-30	"Bidder" means the natural person, private or government Entity, or a combination of the above, having the project experiences of three years for supply of bicycles to government with minimum quantity of 1.5 lakh bicycles on a single legal entity name as OEM. whose bid to perform contract has been accepted by the procuring entity and is named as such in the agreement and includes the legal successors or permitted assign of the bidders.	State Level Purchase Committe does not agree for any change in RFP clauses.

		RFP Section-9 Definition (G) Delivery. Page-30	Supply Period- the quantity to be procured is almost 15% higher than the previous. therefore we request you please increase the supply period in the same ratio.If the order is placed on L1 & L2 in the ratio of 60 :40 than equal supply period of 130 days may be given. Because the Higher Quantity also required higher numbers of days for execution of the tender. The practical not possible to complete the delivery because all the bicycles are consigned in loose condition as per delivery schedule and after the fitting and inspection done all the bicycles will be delivered as per schedule.	Delivery" means the transfer of the Bicycle from the Bidder/Bidders to the Procuring Entity in accordance with the terms and conditions set forth in the Contract. If the bid is provided to a single bidder then the quantity will be 100% & Supply period will be 135 days. The quantity of bid may be divided in more than one Bidders. If it is divided into two bidders then the Ratio of Quantity will be L1 & L2 60: 40 respectively. Then the supply period will be given 95 days to each bidder. In case the quantity of bid is Spiltted into 03 bidders then the quantity of bid L1, L2 & L3 will be 50:30:20 respectively. In these circumstances the supply period will be 80 days for each bidder. State Level Purchase Committee will issue addendum seperately.
		RFP Section IXth 10 (D) Taxes & Duties. Page-32	TDS applicable to be deducted before the GST amount of invoice while making the payment.	State Level Purchase Committe does not agree for any change in RFP clauses.
		RFP Section IX 23 (D) Page-38	Suppose the entire order for supply of 400000 bicycle is given to one supplier. After that repeat order for supply of 4000 (1%) Bicycle is given to the said supplier.How it can possible to supply these bicycle in 1 or 1 -1/2 days with all the process of production dispatch transit period fitting, inspections,etc.	Appropriate time will be given for the additional order quantity.
		RFP Annexure-2 Item-29 (Basket) Page-42	BASKET :- The overall size of basket shall be Top- 250X250X250 mm. approximately. Netted with PVC coating, properly supported by 3mm steel wire horizontally and vertically,basket shall be fitted by clamping with steel nuts & bolts.
